

CAPABILITY STATEMENT

WELCOME TO BRILLARE

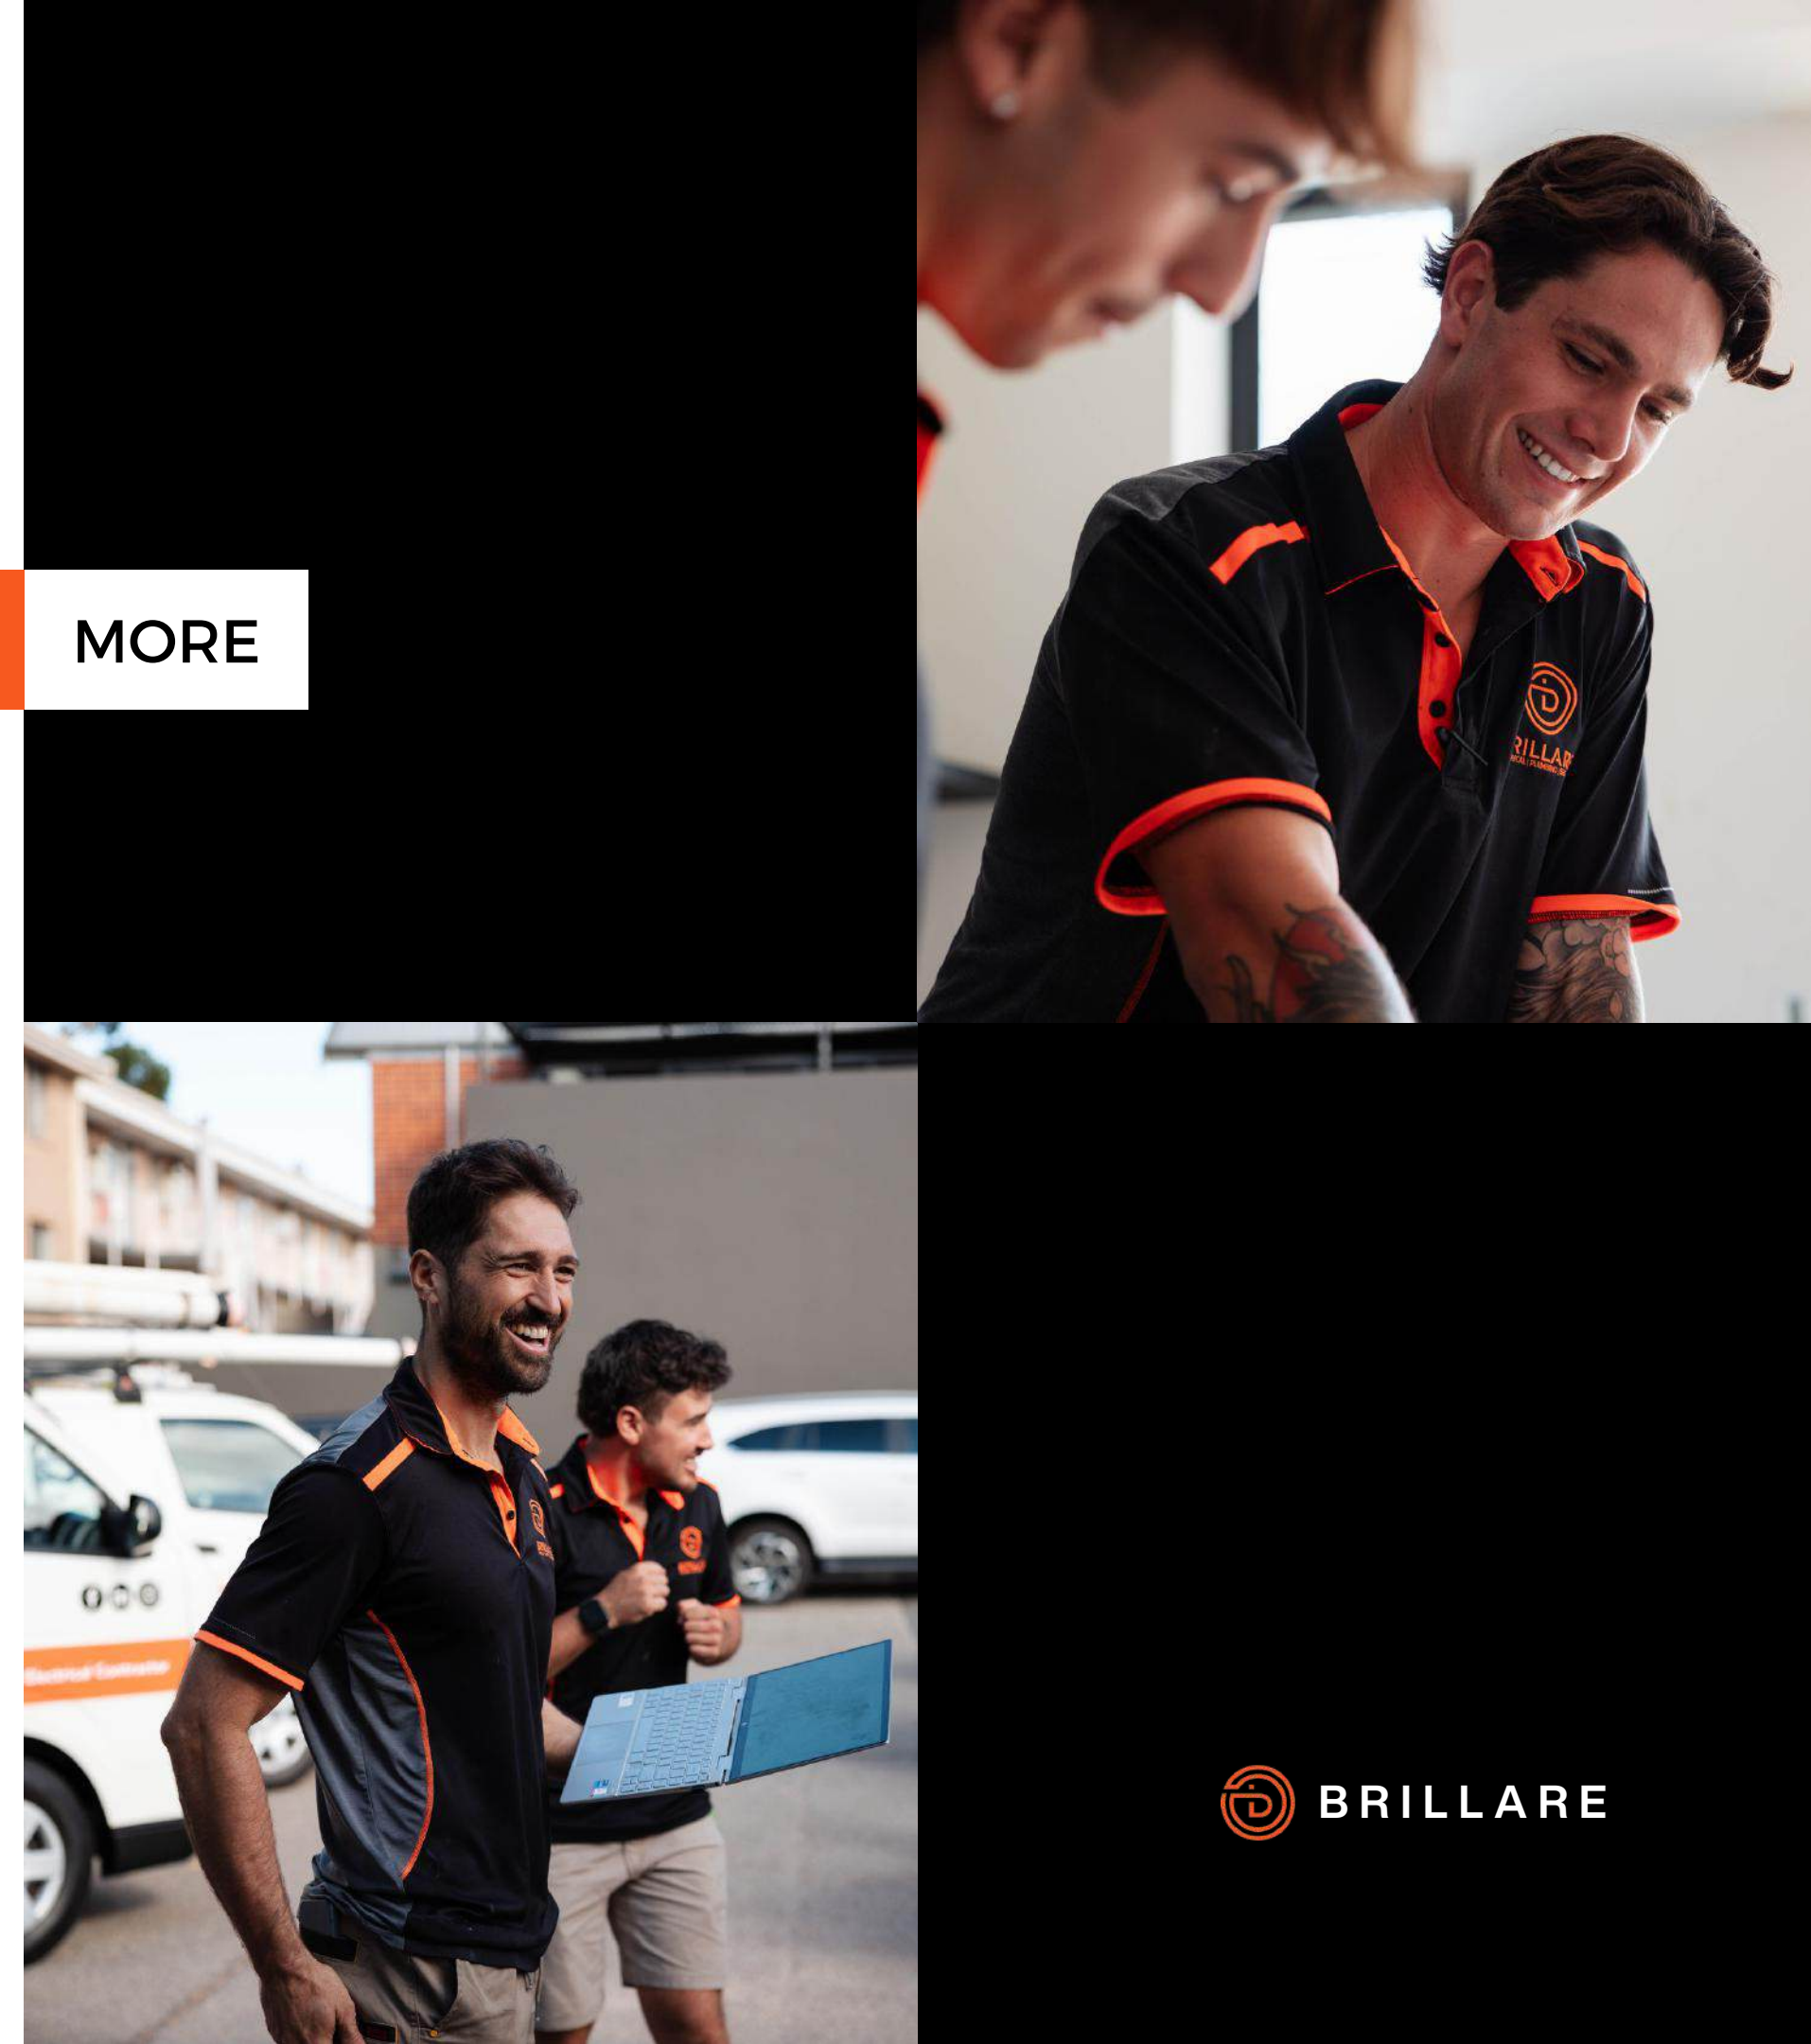

Established in 2018, BRILLARE Electrical & Security Systems is a privately owned full service electrical contracting company, specialising in the provision of quality electrical and security systems solutions to clients in the construction, commercial fit-out, and building management spaces.

Based in Perth CBD, we provide a diverse range of services across three main industries - Residential, Commercial, and Industrial - specialising in projects, construction, and maintenance. Our services include project management, supervision, installations, commissioning, compliance, maintenance, repairs and consultancy.

Our electrical and security system solutions use the latest technology, reliable brands, and quality components in accordance with best practice and Australian Standards. Whether it's a small to medium-sized project or routine maintenance, we have the expertise, labor, plant, test equipment, and materials to get the job done right.

We pride ourselves in providing exceptional value for money service, delivered by our fully trained and committed workforce. Our team's technical capability and depth of experience give clients confidence that their needs will be met as a one-stop maintenance solution. With a core workforce of 16 people, we have the capacity to upscale up to 30 at short notice to meet project requirements and workflow.

Our commitment to clients for life, obsession with quality, and technical expertise ensure we consistently exceed our clients' expectations. Supported by our robust quality, safety, and environmental management systems, we have a proven track record of delivering safe, cost-effective, and high-quality service to our clients.

SAFETY & ACCREDITATION

"The safety of our team members is a top priority for us, and our zero harm policy is deeply entrenched throughout the business. All staff take part in regular safety briefings and toolbox talks and we are extremely proud of our zero recordable injury safety record since inception."

Stefano Bucco, Managing Director
